ABK Weekend

The weekend was very educational and the participants had a great time. Anyone interested can see the photos on the web site. Here are some comments:

On the 30th & 31st of May myself and 8 other riders from BMPC attended the ABK weekend down at Barwon Valley. We did many different activities including flat and jumping lessons with Nina & Yona and HMS lessons about feed for our horses, sicknesses they can get, points of the foot and notes on our "K" certificate. The games we played with Emma were very exciting (we are very competitive) We stayed in the back of our floats overnight after enjoying some strangely tasty snacks by the campfire. I learned plenty and had heaps of fun and would definitely do it again - Alice Fitzpatrick

The ABK weekend was really good fun. The food was very nice and the horse master ship was fun!!!! The weekend gave you a good idea of what was expected for the "K" certificate. Thanks to the organizers, Nina, Yona and Emma for all the lessons. I would love to do another ABK weekend in the future - Carissa Bailey

The ABK weekend was great fun and I really enjoyed it. The food was good and the lessons were interesting. I'd like to thank all the organizers and all the instructors for helping us prepare for our K certificate. I'd really enjoy to do another one in the future - Lochie Bailey

The ABK weekend was good. We learnt a lot of relevant stuff for our K certificates. Our lessons were great and we got to have 2 hours each day with Nina & Yona. The best entertainment of the night was Alice tripping over the fire wood – Alena Cooke
